- Medical assessment
- Levelling assessment
- PCC discussion/clarity
- Team discussion
- Home care/assisted living
- Care plan
- Re-assessments

LIVING A LIFE OF PURPOSE

"Absoluut fantasties. Ons het dit so geniet en in daardie tyd vergeet van al ons kwale en skete" - Christelle Kieck.

"Ek is so dankbaar dat my ouers hier woon waar daar met soveel sorg na hul menswees omgesien word. Die atmosfeer wat hier geskep word is nie net opbouend nie maar ook nooit eentonig nie. Ek het nooit gedink dat ek my pa sou ervaar waar hy homself toelaat om uitbundig te wees en net pret te hê nie" – Colette

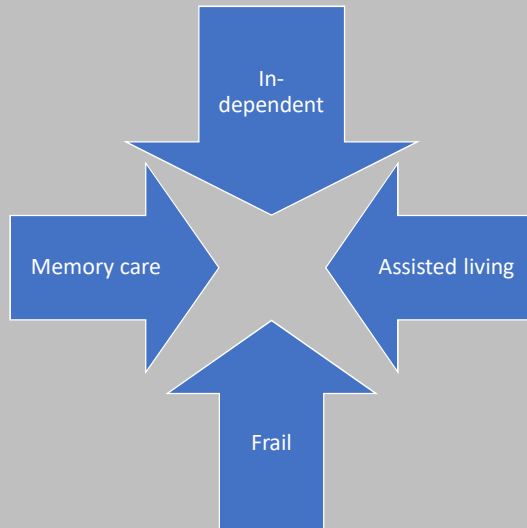

"Baie ontspannend, baie lekker en vet pret. Dit was lekker om dit saam met my kleinkinders te kon doen" - Marietjie
